

TORONTO WALK AND ROLL

DONATION FORM

I'm taking part in the **5th Annual GBS/CIDP Toronto Walk and Roll** – and I hope you'll support me!

The Toronto Walk and Roll is an annual event in support of individuals and families affected by **GBS, CIDP, MMN, and their variants**—rare autoimmune conditions that impact the peripheral nervous system.

Each year, we come together to raise funds for the GBS/CIDP Foundation of Canada, which provides vital programs and services, supports Canadian research, and works to improve the lives of those living with these conditions across the country.

I'd be so grateful if you'd consider making a donation to my campaign. Every contribution helps bring comfort and hope to those facing these rare conditions and helps raise awareness.

Thank you so much for your support—it truly means a lot.
